

9/11/18

### **Recorded Webinars Now Available**

Recordings and presentations of these previously held webinars are now available on the Division's [Previous Webinar page](#):

- **Medicaid Application Process Q&A Session**  
During this webinar, Charles Bentley, DMH Medicaid Eligibility Specialist, and Anna Leonhard, Correspondence and Information Specialist for the Family Support Division, answer participant questions regarding the Medicaid Application Process.
- **Missouri Children's with Developmental Disabilities (MOCDD) Waiver**  
This webinar discusses a new screening process and form to facilitate communication about the MOCDD waiver between the Department of Mental Health (DMH) and the Department of Social Services (DSS).
- **Fiscal Review for Purchase of Service (POS) and Individual Funds**  
This webinar describes the fiscal review process for POS and Personal Spending funds. The required documentation to support POS billing is discussed and participants are given information on Social Security requirements, as well as the requirements from the Regional Offices, in regards to maintaining an individual's funds. Provider reporting requirements is also addressed.
- **Co-Occurring Intellectual/Developmental Disability-Behavioral Health Diagnoses 101 Training**  
This webinar provides participants with a common knowledge and understanding of individuals with co-occurring diagnosis of IDD-BH. Participants will learn the impacts of living with co-occurring diagnosis and how Missouri systems can collaborate to best serve the population.
